

CANCERCARE BRIDGE TOURNAMENT RESULTS SHEET

INSTRUCTIONS

1. **Very important!** Whether you play online or face to face, the competition will be scored by **manually filling in a score pad** and transferring the results to the results table below. This will allow all entrants results to be included
2. The vulnerability for online games is determined by the computer
3. Please print this page out twice; once for sending in and once for your own record.
4. For each match there are 5 columns to complete:
 - a. The opponents' pair number.
 - b. Your aggregate points (*If you are playing Rubber Bridge it will be the aggregate for all rubbers*).
 - c. Your opponents' aggregate points.
 - d. The difference [b-c] with the appropriate + or – sign.
 - e. The difference converted to VPs on the following scale:

<i>Difference</i>	<i>VP</i>
Win by 500 or more	2
Win or lose by less than 500	1
Lose by 500 or more	0
5. When all your matches have been played enter your pair number, the league number, and the date that you completed the form.
6. Send the results in (preferably attached to an email) before the deadline for that Competition year
